Merknader:

- Nedre poenggrense for inntak er lik poengsummen til den sist inntatte søkeren og viser ikke karaktergjennomsnittet blant elevene.

- Nedre poenggrense for inntak er avhengig av forholdet mellom antall søkere og antall plasser og kan derfor forandre seg fra år til år.

* Til Vg1 musikk, dans og drama og Vg1 stud.spes. m/toppidrett tas 50 % av elevene inn etter kombinasjon av ferdighet og karakterer. Derfor ingen nedre poenggrense.

** Alle/de aller fleste som hadde søkt på skolen kom inn.

*** Til IB rangeres søkerne etter flere kriterier enn karakterer. Derfor ingen nedre poenggrense.
